Colleagues 50th Anniversary

1

Mr. Westheimer,

My name is Paige Leland and I am the intern for Clay Pelon at Colleagues Magazine. You wrote an article—"No Child Left Thinking"—in our 2008 issue on Education and Politics that we absolutely loved and that gained a lot of attention from our readers.

This year marks the 50th Anniversary of Colleagues and we are currently reaching out to those who have written exemplary articles for us in the past. We loved your article and were wondering if there were any updates to the information in your article or if you have any other submission you would like to share with us here at Colleagues. We would love to have you as a part of our 50th edition!

Let me know if you are interested in helping or if you have any questions for me. My contact information is listed below.

Thank you,

Paige Leland
Grand Valley State University
